Dear Camper:

This year we are offering a "Camp Bank" to hopefully make life easier for the parents/guardians of our campers. Here's how it works, we will have a concession stand open during camp hours for each camp. The stand will sell powerade, water, candy and snacks. Instead of sending your child to camp each day with money, you can make a "deposit" in our camp bank in advance or during the week of camp, and your son can draw on that deposit each day. We will keep a record of his or her "account" and if money is left over at the end of the week, you may pick it up on the last day of camp. The average amount deposited by campers is approximately \$10 a camp. We have found that having money in the camp bank has been convenient because campers do not have to worry about misplacing or losing money. Money can always be added in the camp bank during the week.
